

Welcome to Exploring Arts & Media

Mr. Ogden - ET Lab North

COURSE DESCRIPTION:

In this course students will learn a variety of different types of technology that will expand their learning in all classes at Scandinavian Middle School. This course will allow students to be up to date with the most current technologies that are used in the classroom as well as in the real world. Students will be able to expand their learning by utilizing various types of technology. Such as:

- Google Applications
- Google Classroom
- Web Design
- Computer Programming
- Video Game Design
- Photoshop
- Video Production and More!

CONTACT INFORMATION:

Mr. Ogden

Michael.Ogden@fresnounified.org

COURSE MATERIALS:

Google Apps for Education and other Cloud-based Applications

COURSE POLICIES:

Course policies correspond with the information provided in the Scandinavian Middle School Student/Parent Handbook. We highly recommend that both students and parents review and become familiar with this information. Situations involving attendance, discipline, student activities, etc. will be resolved based on the information in the handbook.

Late Assignments: Assignments must be turned in on time to receive full credit. For all late assignments, the highest possible grade received will be a “C”; deadlines matter. If an assignment is turned in late, the grade will be determined based upon the number of days late and the quality of work the student demonstrates.

GRADING/EVALUATION:

- 90.0% - 100% → “A”
- 80.0% - 89.9% → “B”
- 65.0% - 79.9% → “C”
- 50.0% - 64.9% → “D”
- 49.9% or lower → “F”

STUDENT RESPONSIBILITY:

This is a class that will give back what you put into it. Exploring Arts & Media is a fun, interesting, and engaging class that will provide you with skills you will use the rest of your life. Give it your best effort!

“99% of all failures come from people who have a habit of making excuses.”
