Course Description:

¡Bienvenidos a la clase de Español! I am very excited to be your teacher and share my love of the Spanish language and culture with you. The goal of this class is to build communication skills, and critical thinking skills that connect students with their rich and diverse cultural heritage. Course is conducted using Spanish only, and expectation for student is to stay on the target language. Course is design for students that have a strong exposure to Spanish or come from homes where Spanish is spoken. The curriculum and assessments are based on the California World Languages Content Standards, and through the course student will focus on writing, reading and speaking the target language.

- Academic Objectives

Student will develop competence in reading, writing and speaking using the target language.

Student will build vocabulary and correct use of Spanish grammar and tenses.

Student will acquire the ability to interact appropriate and communicate in the target language.

- Student Behavior Plan

1. **Warning**

2. **Detention (Student completes restorative form and conference with teacher).**

3. **Parent will be called, and student will have detention.**

4. **Administrative referral**

- Grading— Grades will be based the following categories: tests, portfolio projects, daily homework, classwork, and participation. I will regularly update the grades on Atlas. Final grades will be determined according to the traditional grading scale: A+, through F. Spanish NS is a High School credit class; therefore, a C- or better is required to satisfy the high school requirement.

- Course Assessments—Pre-assessments, Formative assessment and summative assessments will be administered for each unit.

- Homework—Complete and correct your homework. Assignments will be given daily. Homework is checked in class and credit is given for completion. Students should do their homework and, most importantly, check it and correct any errors they have made. **Because we go over the answers to homework in class, late homework is only half credit.**

- Major Projects—

- Unit 1 (Quarter 1) Mi Familia y yo /Autobiografía

- Unit 2 (Quarter 2) Las Leyendas/ Una leyenda original

- Unit 3 (Quarter 3) La inmigración/ La entrevista

Effect of Absence on Grade

- If a student's absence is excused under Education Code 48205, he/she shall be allowed to complete any missed assignment or test that be reasonably given, as determined by the teacher of that class. The student shall be given full credit for the assignment or test if he/she satisfactorily completes the assignment or test within a reasonable period of time. (Education Code 48205)
- Excused Absences – Absence from school shall be excused only for health reasons, family emergencies, and justifiable personal reasons, as permitted by law and Board policy and specified in administration regulations. (Education Code 48205)

Expectations/Student's Responsibilities:

1. **Be prepared:** Have your homework, binder, pencil and paper in class every day.
2. **Participate:** A large part of learning a foreign language is conversing in the language. Students are required to participate in class by answering questions, asking questions, singing, and participate in group activities (Break room for distance learning).
3. **Come to School/Attend online class:** Success depends on active participation in the language. Therefore, attendance is very important.
4. **Make up Missed Work:** Make sure that you make up all work that you miss from being absent.

Hall Pass and Restroom: Student will receive four restroom passes each quarter. If more than four passes are needed, please meet with me individually so we can make a plan. Any unused passes can be turned in at the end of the quarter for bonus points.

Tardy Policy:

Professional behavior includes punctuality (arriving to class on time). Students who are late to class must have a tardy pass; students who do not have a pass will be asked to obtain one from a campus administrator. Students who demonstrate a pattern of tardiness will be assigned class detention in order to make up for lost instructional time. An excessive number of tardies will be addressed through the Scandinavian Restorative Discipline Policy.
